DDG (E&F)/ Accounts (B&P)
BBNL C- DoT Campus M.G. Road Ghitorni,
New Delhi

Sub: Two days Workshop on "NOFN – Role of CCA".

Two days Workshop on "National Optical Fibre Network– Role of CCA" is scheduled to be conducted as per the particulars given below:

Course No. : 05061718
Duration : 2 days
Date : 29.06.2017 to 30.06.2017
Venue : NICF Campus, Ghitorni, New Delhi.

Introduction:

The course intends to familiarize the participants with the issues relating to "National Optical Fibre Network– Role of CCA".

Learning Objectives:-

At present OFC (Optical Fibre Cable) connectivity is available in all State Capitals, Districts, HQs and upto the Block Level. There is a plan to connect all the 2,50,000 Gram panchayats in the country. This will be done by utilizing existing fibres of PSUs (BSNL, Railtel and Power Grid) and laying incremental fibre to connect to Gram Panchayats wherever necessary. Dark fibre network thus created will be lit by appropriate technology thus creating sufficient bandwidth at the Gram Panchayats. This will be called the National Optical Fibre Network (NOFN). Thus connectivity gap between Gram Panchayats and Blocks will be filled.

Non-discriminatory access to the NOFN will be provided to all the Service Providers. These service providers like Telecom Service Providers (TSPs), ISPs, Cable TV operators and Content providers can launch various services in rural areas. Various categories of applications like e-health, e-education and e-governance etc. can be provided by these operators. The NOFN project is estimated to cost about Rs. 20,000 Cr. It is proposed to be completed in 2 years' time. The project will be funded by the Universal Service Obligation Fund.

Target Population:

Gr.'A' & Gr.'B' officers of DoT HQ and CCA Units.
