Message

I am happy that the Civil List 2024 of the Officers of Indian Post & Telecommunications Account and Finance Service (IP&TAFS) Group A has been compiled as a current reference containing all the basic information about the cadre officers.

IP&TAFS Group "A" as a Central Civil Service of the Government of India was constituted in 1972 for professional financial management in the Ministry of Communications. The cadre has since been serving both the Department of Telecommunications as well as the Department of Posts. In the Department of Telecommunications, this service is contributing in revenue assurance of one of the largest Non-Tax Revenue for Government of India, and at the same time working towards senior citizen centric services through end-to-end Pension Management System - SAMPANN. It is also heartening to note that so many officers of the cadre are serving other departments/organizations at senior positions.

I extend my best wishes to all the officers of IP&TAFS for their future endeavours.

I also convey my appreciation to the SEA Division of this Department for bringing out this document.

It is almost 50 years since the direct recruitment to the IP&TAFS Group A cadre took place in the year 1974. Since then, the service has come a long way. It has evolved and matured into a professional service with requisite expertise and skills to play its role in the extremely dynamic and challenging communications sector. IP&TAFS today plays a critical role not just in their traditional roles of Accounting, Financial Appraisal, Budgeting, etc. but also in the field of revenue assurance, universal service provisioning and delivery of citizen centric services.

I wish the best to IP&TAFS in its continued endeavours towards delivering best-in-class governance in both the departments of the Ministry of Communications. I also hope that the Civil List 2024 will provide a moment of togetherness to the officers of the cadre.

It is indeed a matter of immense pleasure and privilege to share with you the Civil List of Indian Post & Telecommunications Accounts and Finance Service (IP&TAFS) Group 'A' for the year 2024. This Compilation, capturing basic profiles of all 262 officers of this service, could be possible due to sheer hard work, grit and determination of our Staff Establishment Accounts (SEA) section.

Seedling to fruit laden tree – this Service Cadre in its journey from 1974, has been able to successfully contribute towards nation building process; not only through discharge of domain functions but by rendering commendable multidimensional performance in various Ministries.

I am sanguine that this Civil List '24 will definitely be a useful information guide for the stakeholders. While recognizing unquenchable thirst of SEA team resulting into this Compilation, I extend my heartfelt congratulations to each and every individual who helped in bringing out this beautiful treasury.
