Publication of Civil List 2025 of Indian P&T Accounts and Finance Service Group 'A' Officers — a service which has unique distinction of serving two departments i.e. Department of Post and Department of Telecom, is a testimony of hard and focused works being discharged by staff establishment wing of this service Cadre.

The Cadre has completed 50 years of its illustrious and exemplary services in nation building process and the profiles of the officers contained herein this compilation is manifest of the richness brought by them to these two Departments. Imprints of excellent contributions made by the officers in other Ministries/Departments are also captured in the current Civil List.

The officers, coming from diverse educational background and professional acumen acquired through their relentless involvement in the spheres of work, are treasure trove of the Cadre. This Compilation, I am sure, will be a handy booklet more than a directory to access accurate and up-to-date information about service cadre officers.

I express my immense pleasure and a deep sense of appreciation for team involved in compilation and publication of Civil List 25. I encourage all my fellow colleagues to make a meaningful use of it.
