Subject: Organisation of “iGoT Knowledge Connect” for officers to contribute to the development of iGoT courses – reg.

The National Communications Academy — Finance (NCA-F) has been facilitating the development and publication of courses on the iGoT Karmayogi platform with the objective of promoting continuous learning, capacity building and knowledge dissemination among officers of the Department of Telecommunications and Department of Posts. In view of the recent changes and development in conceptualisation, development, review and finalisation of courses on the iGoT platform, it has been decided to organise an “iGoT Knowledge Connect” at NCA-F. The programme is intended to provide a platform for interaction with officers who are already associated or would like to be associated with the development of iGoT content.

2. During the programme, the officers may share experiences and come up with ideas for further strengthening the quality, relevance and effectiveness of courses developed on the platform. The respective Heads of Unit are requested to nominate the concerned officers for participation in the program. The program will also provide an opportunity for officers who are willing to contribute towards the development of courses on the iGoT platform to interact with the officers and experts already associated with such initiatives, understand the course development process and explore avenues for contributing their domain knowledge and professional experience to future iGoT courses.

3. The broad details of the programme are as under:
